From The President's Desk

You make a living by what you get-
you make a life by what you give.

It seems that for the month of October I have been surrounded by the best of the givers- giving of their time and talent to help make this community run. We would like to wish those that contributed to the betterment of our community, a safe and successful next chapter.

We are getting into a nice groove now and issues on all fronts are being tackled. Be patient with us - we have

heard you loud and clear that situations have not been addressed for years and please know we will get there. November brings Thanksgiving.. and I wish for all of you that you may find many things to be thankful for.

Stay healthy and safe.

IN MEMORIAM

To Mary Nye

Beautiful mother, wife and friend to all of us here at Silver Ridge Park West. She was a long-time volunteer and trustee. She took her position seriously and applied patience, fairness and grace to all of her neighbors.

She had a quick wit, and the voice and face of an angel.

May God bless you and keep you Mary Nye and please watch over us.

LIBRARY

The Silver Ridge Park West Library is open during regular Clubhouse hours: Monday through Friday 10 am to 5 pm and Saturday 10 am to 1 pm. Borrow, on your honor, large print hardcover books, and regular print hardcover and paperback books, as well as puzzles. Come in and browse!

The library also accepts donations of books. Please place your donations in a paper bag, mark it as a donation, and leave the bag on the library table. Librarians Harry and Hazel will shelve the books. Extra copies are donated to other non-profits in need of books.

SUNSHINE

Dear Neighbors,

Esther Perez and Vivian Evanchik have volunteered to provide “sunshine” to our community by sending cards to families on behalf of our association. If you know of anyone who has been hospitalized, is ill, has lost a family member, or is simply in need of a little sunshine, please call the office at 732-244-1484 ext. 613. The Sunshine team will, on behalf of all of the homeowners in SRPW, send an appropriate card that will brighten someone’s day. Thank you.

Dues Assessments

The fourth quarter payment for 2023 was due October 1, 2023. A late fee of \$15 will be added to your account on November 1st if dues are not paid on time. Association dues assessments are payable on or before the first day of a given quarter. To ensure that your dues payments are posted correctly, your payment must be accompanied by a dues coupon containing all of the required information. Be sure your information is legible. Payments may be sent to the Clubhouse by mail, brought to the Treasurer's office or placed in the dues box on the main floor of the Clubhouse. **Dues coupons are available at the Clubhouse and are published in The Sentinel.**

As a homeowner, your obligation to pay dues continues as long as you own your home and it is the homeowner's obligation to pay dues for renters. Individuals residing in your home with you on a permanent basis ("permanent" defined as a stay of more than 90 days) must be 19 years of age or older and are obligated to abide by the Association's governing documents. Also, remember, if you own more than one home, each property is subject to dues.

SILVER RIDGE PARK WEST HOMEOWNERS' ASSOCIATION
BOARD OF TRUSTEES BUSINESS MEETING MINUTES
MEETING DATE: SEPTEMBER 11, 2023

Call to Order: 6:04 PM

Pledge of Allegiance: Led by President Maria Brush

Opening Prayer: Led by Jack Easson

Roll Call: Sign in Sheet. Present: Maria Brush, Larry Sansone, Georgine Natelli, James Conway, Ed Menzenbach, Marybethe McGill, Brian Kochera, Diane Crozier, Shirleyan Emmons, Susan Fletcher.
Excused absence: Mary Nye

Procedural Rules: This meeting is held in accordance with the SRPW Governing Documents and Roberts Rules of Order and is being recorded. Notice of this meeting was announced in the Sentinel and the Asbury Park Press.

Minutes of Preceding Meeting: Motion to approve the Minutes of the August 14, 2023 Meeting was made by Marybethe McGill; seconded by Brian Kochera. All in favor. Motion carried.

Treasurer's Report: Motion to accept the Financials dated August 31, 2023 as presented by James Conway made by Larry Sansone; seconded by Brian Kochera. All in favor. Motion carried.

Homeowner Q & A:

Curbs in front of the common ground need mowing. Vice President will contact Greenleaf to mow.

The deer situation, code issues, speeding, and squatters – Maria will address this with Berkeley Township at the next Town Hall.

Congratulations to the Board for the two nights we celebrated outside.

Deer situation: Berkeley Township needs to realize that it is a very serious problem. The deer create safety issues for cars; it is not just a foliage issue.

Neighborhood Watch is trying to hold a town meeting in November where animal control, the state wildlife agency and the mayor will be present to address concerns.

Recess: 5 minutes

NEW BUSINESS

President's Report:

By-Laws Committee Update – The Committee meets monthly. The By Laws need to be updated. Last meeting, the By Laws Committee discussed the trustee section. Sections 1, 2, 3 and 11 have no trustees. Some ideas for revision: remove sections altogether or combine sections. Fifteen board members is an unmanageable number for an association this size. Homeowners will be kept informed. Before any changes, the revisions will go for Attorney Review and a vote to the Homeowners.

Trustee Appointment: Not discussed.

Flippers: The house across the street -- work was stopped on it, and the door frame was kicked in. We are working on that. 18 Bolingbroke: We recently discovered that the house is sold and the owners did not come through compliance. The house is in awful disrepair – we and the codes department from Berkeley have all been on it. We are following the money and starting to recoup money from Willoughby.

Second Annual HOA Barbecue was funded by the rebate we get from the new publisher. The cost did not come from the dues account. As long as the Sentinel is operational, relevant, and important— our only official source of information – we will be recouping this kind of money.

Vice President Report:

Facilities Project Update: Motion to approve the HVAC contract with Toms River Heating and Air Conditioning made by Brian Kochera; seconded by Ed Menzenbach. All in favor. Motion carried. It is a one-year contract that provides for service in the Spring and the Fall.

Engineering Report: The inspection of the building, building grounds and common ground occurred last week. It will take 30-45 days for the report to be issued.

Stage Lighting: Lighting collapsed about a month ago. The new fixtures are in, and they will be installed.

Kitchen Downstairs: There is a slight cost for finishing the kitchen because of the mold remediation. Tom will be repairing, adding shelves, and installing the ice maker.

Breast Cancer Awareness Month in October – We will be acknowledging it by putting some things outside the building.

Phone System is up and running. A homeowner calls one phone number to reach everyone -- volunteers, clubs, trustees, officers. Call the clubhouse and respond to the prompt. You can dial by extension, section name, or club name and you will be connected to the person you want to speak with. The October Sentinel will explain the procedure and the contact pages will contain extension numbers. Personal phone numbers will no longer be included in the Sentinel. This gives our volunteers a little more security and, when there is a change of volunteers, you will still get whoever is the contact person. This will make your and our lives easier.

Secretary's Report:

Newsletter Update: New features include “Yard of the Month” where a trustee picks a home in his/her section that beautifies our community, and Happy Birthday which honors milestone birthdays for our neighbors 80 years and older. Neighborhood Watch has contributed multiple types of information that deal with your safety.

Correspondence: We received Thank You Notes from two families for our support when they needed comfort. Thank you to our Sunshine Team and other members of the community who cooked food and performed other kindnesses for our members.

Treasurer's Report: The payment plan approval that was on the agenda has been suspended and will not be considered tonight.

Events: Shred It Event -- Put boxes, tubs, or bags of shredding in your car and pull up to the machine.

OLD BUSINESS

Engineering Study: Update by Larry earlier.

Trustee Reports:

Section 1: No Trustee

Section 2: No Trustee

Section 3: No Trustee

Section 4: Ed Menzenbach: Trailers are still an issue. He helped a homeowner remove tree branches.

Section 5: Marybethe McGill: Nothing to report.

Section 6: Brian Kochera: Nothing to report.

Section 7: Mary Nye Excused Absence

Section 8: Diane Crozier received some calls about the common ground.

Section 9: Shirleyan Emmons reported that neighbors near the corner of Northumberland and Whitmore appreciated the hard work of the Common Ground Crew. They did a great job.

Section 10: Susan Fletcher received complaints about the common ground behind Westbrook.

Section 11: No trustee

Committee Reports:

Architectural Control:

Item #2 Variance – Modification of Shed Placement. Motion to approve variance made by Larry Sansone; seconded by Maria Brush. In favor: Maria Brush, Larry Sansone, James Conway, Ed Menzenbach, Marybethe McGill, Brian Kochera, Diane Crozier, Shirleyan Emmons, Susan Fletcher. Opposed: Georgine Natelli. Motion carried.

Item #3 Variance – Modification of Shed Placement. Motion to approve made by Marybethe McGill; seconded by Larry Sansone. In favor: Maria Brush, Larry Sansone, James Conway, Ed Menzenbach, Marybethe McGill, Brian Kochera, Diane Crozier, Shirleyan Emmons. Opposed: Georgine Natelli, Susan Fletcher. Motion carried.

Item #4 Variance – Modification of Shed Placement. Motion to approve made by Larry Sansone; seconded by Ed Menzenbach. No vote. Sent back to Architectural Control for a more detailed drawing.

Item #5 Variance – Modification of Shed Placement. Motion to approve made by Larry Sansone; seconded by Brian Kochera. No vote. Sent back to Architectural Control for a more detailed drawing.

Item #6 Variance – Modification of Shed Placement. Motion to approve made by Brian Kochera; seconded by Larry Sansone. No vote. Sent back to Architectural Control for a more detailed drawing.

Common Ground: Brian's Tree Service has finished the last items on the approved list. We are working on a current list for future tree cutting. The Common Grounds Committee spent three weekends working on the common ground at the corner of Northumberland and Whitmore. We work from 8-9 on Saturday morning. We work until the trailer is full, which, sometimes, is 25-30 minutes. Homeowners are starting to help us gather smaller branches and debris, so it is easier for us to load. This saves homeowners money and ensures that the common ground can get mowed properly. There was discussion about getting a larger trailer that would belong to the Homeowners' Association would be parked in the back of the building. This is something to think about for next year's budget. Maria would like to maintain the HOA fees to its current amount for one more year. We have the lowest fees of all the communities.

Compliance: Things are slowing down a bit.

Health and Welfare: Flea Market raised \$250 for our Food Bank. The Shred It event is this weekend. We are contacting possible future speakers, such as representatives from Deborah Hospital. We have planned a tree lighting and have invited the chorus to sing – treats and a tree.

Neighborhood Watch: The Nov. 14th meeting will hopefully be a Town Meeting, so we will have speakers from various Berkeley Township agencies. There have been coyote sightings; keep your dogs on a leash. If you see something, say something: report to the police first, then let Neighborhood Watch know so they can document.

Alternate Dispute Resolution: Nothing to report.

Courtesy Reports:

Women's Club: Big event upcoming on 10-13: Linda Shore – Jersey Shore Medium. Tickets on sale on Saturdays, 10-30 to 12:30.

Men's Club: The Atlantic City trip this Wednesday is sold out. If you are scheduled for the trip, come to the clubhouse early for some before trip snacks. September 20th is the first Men's Club meeting after the summer. A nurse will speak on Living with Diabetes at 11:30. A regular meeting will follow. On Oct. 17, we have a speaker on Medicare and Medicaid. The Men's Club and Women's Club are co-sponsoring New Year's Eve. Maria Brush thanked the recently revitalized and extremely helpful Men's Club for helping at the flea market and the barbecue.

Event Club: Next event is Oct. 28, the Halloween party. Tickets are \$20. The Event Club has received their raffle license approval. Upcoming events: Tricky Tray and Food Bank Zingo.

One more activity: Tai Chi on Wednesdays with Vicki Kohanek from 6:15-7:15 pm. Tai Chi is good for balance and the nervous system. Cost is \$7/week or \$20/month. You can just show up if you don't have time to give her a call.

Adjournment: at 7:04 pm. Motion to adjourn made by Larry Sansone; seconded by Maria Brush. All in favor. Motion carried.

MESSAGE FROM THE TREASURER'S OFFICE

Dear Residents:

Thank you to all the homeowners who have sent in their HOA dues for the year. And for those that are still delinquent, there is still time. I have been working extra hours to post your payments as soon as possible. I would like to clean up the accounts by November 30th before I start to get pre-payments for 2024, so I need your help. If you receive a statement from my office with a past due amount, please check your records to make sure that your payment has cleared the bank and then contact me at 732-244-1484 x104. If your payment has not cleared the bank, then there is a chance

that it is lost, and I ask that you reissue the payment as soon as possible.

If you want to stop by, please remember that the Treasurer's office is closed on Wednesdays and open on Saturdays from 10:00 am until 1:00 pm for your convenience. SENIOR FREEZE Property Tax Reimbursement 2022 Eligibility Requirements

Eligibility requirements, including Income limits, and benefits available under this program are subject to change by the State Budget.

In order to receive a reimbursement for the difference between the amount of property taxes paid for **2021** and **2022** you must meet the following requirements:

You (or your spouse/civil union partner) were:

- 65 or older as of **December 31, 2021**, or, actually receiving federal Social Security disability benefit payments (not benefit payments received on behalf of someone else) on or before **December 31, 2021**;
- Have lived in New Jersey continuously since **December 31, 2011**, or earlier, as either a homeowner or a renter; and
- You have owned and lived in your home (or have leased a site in a mobile home park for a manufactured or mobile home that you own) since **December 31, 2018**, or earlier (and you still owned and lived in the home on **December 31, 2022**); and
- Have paid the full amount of the property taxes due on the home for **2021** by **June 1, 2022**, and for **2022** by **June 1, 2023** and
- Your total annual income for **2021** did not exceed **\$94,178** and for **2022** did not exceed **\$99,735**.

Note: With very few exceptions, all income received during the year must be taken into account to determine eligibility (including social security, pension income, etc.)

Eligibility requirements, including Income limits, and benefits available under this program are subject to change by the State Budget.

Filing deadline on or before October 31, 2023.

Important Program Changes Coming Next Year

P.L. 2023, c.75 which was signed into law June 30, 2023, expands the income limit and simplifies the residency requirements for new Senior Freeze program applicants.

Beginning with the 2023 filing season, the law:

- Increases the income limit for the program to \$150,000; and
- Eliminates the requirement that an applicant must be a New Jersey resident for 10 consecutive years.

The age/disability and three-year homeownership requirements remain unchanged.

New Phone System

If you called the clubhouse recently, you heard a new greeting message. On September 6, 2023 we switched over to a new 5G phone system with all the latest bells and whistles. This new system benefits homeowners in several ways.

First, you will only have to call ONE NUMBER to get to any of the volunteers working in and for the HOA. **That number is 732-244-1484.**

Second, you can direct your call to the person that you are looking for.

Third, you will NOT have to remember the name of the person you are looking for since the phone system will prompt you for the officer title, trustee section number, club name or committee name.

As an example, if you have a question about your dues, you can call the Treasurer directly from the main menu and one sub menu or if you know his extension you can dial it directly at extension 104. If Jim is not available and you leave a message, he will receive both a missed call message and an email message which he can reply to when he returns to the office. There will be no need to relay a message through the office staff.

For trustees, Clubs and Committees, you will be asked to enter the three-digit extension (listed in this Sentinel) and the phone system will direct the call to that volunteer's personal telephone number.

In addition to the one-digit prompts, there is also a dial-by-name feature that will allow the caller to enter the first three letters of the first or last name of the officers or first three letters of the **Trustee section number**, Club **name** or Committee **name** and the system will provide you a list of options that meet the callers input.

When you get a chance, try it out and share your experience with us and your friends and neighbors.

SPEEDING:

REMEMBER: SPEED LIMIT IS 25 MPH. PLEASE OBSERVE THE SPEED POSTINGS..

PARKING ON LAWNS

Parking on your property, in other than the designated driveway area, is prohibited. Designated driveway means the area that is paved for the purpose of parking your vehicle. During a snowstorm, you may temporarily move your car to a non-designated driveway area on your property in order to comply with Berkeley Township's requirement that you clear the streets for the snowplows.

SANITATION

Garbage is NOT to be put out before 4:00 PM on Tuesday for Wednesday pickup. Recycling is NOT to be put out before 4:00 PM every other Wednesday for Thursday pickup. If you are going away, please ask a friend or neighbor to put it out for you. This is a Berkeley Township ordinance and violators may be fined by the Township.

CLUBHOUSE PARKING

Parking in the Clubhouse parking lot while away on a trip is limited to members only. When an Association member plans to leave a car in the Clubhouse parking lot while away on a trip, the office must be advised and provided with dates of trip, license plate number, make of car and proof of insurance. All vehicles left in the parking lot must be parked in the parking spaces nearest Westbrook Drive. Non-association members are not permitted to leave their cars in the parking lot while away on a trip. This, of course, applies to trips only and does not apply to non-association members who are attending events at the Clubhouse.

CLUBHOUSE USE

The Clubhouse is available for use by sanctioned clubs and committees for their events and meetings. In order to reserve space for meetings or events, an authorized club or committee member must complete a written calendar request and present it to the Vice President by email or in person. The Vice President will determine if the date and time is available. If the date and time is available, the event will be placed on the calendar.

Residents, only, may rent the hall for private parties. In order to do so, the resident should call the Rental Clubhouse number on p. 3 of the Sentinel to get appropriate instructions.

The downstairs game room and the library are open to all residents during clubhouse hours, Monday through Friday 10 am to 5 pm, and Saturday, 10 am to 1 pm. You may walk in at any time during those hours.

Entry to the Clubhouse building at hours other than the posted clubhouse hours must be supervised by a member of the Board of Trustees.

COYOTES

Please be aware that coyotes have been sighted in the common grounds surrounding our homes. Be vigilant of small pets and young children when they are outside.

IMPORTANT NOTICES

Note: Before holding a garage or yard sale, you must register it with the Township Clerk's Office; this is a Berkeley Township ordinance.

EXTERIOR PROPERTY IMPROVEMENT

All changes to your property that are visible to the exterior must be approved by the Architectural Control Committee of the Association before work can commence. You will need Architectural Control approval before you can obtain Berkeley Township permits where permits are required. Please complete the appropriate forms for your project and submit them to Architectural Control through the office. You may present the forms in person or send them via email. You may obtain the forms by visiting the office or by going to our new website srpwest.us. Otherwise, attend Recreation Committee, Health and Welfare Committee, and Men's and Women's Club meetings and/or call the other contact numbers listed on p. 3 to ask how you can help. If you don't see what you like and have a new idea, contact your trustee and he or she will help you bring your idea to the Board of Trustees.

Smoke Alarms

Back in 2019, the American Red Cross had a program called “Sound the Alarm – Save A Life” where volunteers installed FREE smoke alarms to Silver Ridge Park West and neighboring senior communities. Both the smoke alarms (one or multiple alarms) and the installation were FREE. Recently, we contacted the American Red Cross and arranged for residents in Silver Ridge Park West who either didn’t have these alarms installed in earlier this year or who may need replacements, to once again have smoke alarms installed or replaced for FREE. This time, in order to have these FREE smoke alarms installed or replaced, you must make an appointment by calling the American Red Cross at 732-695-4165.

KIRMS PHOTOGRAPHY Colorful Subjects

It's always fun to pick a colorful subject. Bright colorful images are pleasing to the eye. While a colorful subject is a good element to have, to get an exceptional image you need to follow the other rules of composition. Having your colorful subject in a great composition will yield an image you'll be proud to show others.

Where can you find that image with a lot of color? Almost anywhere, but I like farm markets, parades, fairs, flower gardens, etc.

A great way to enhance your images is by using a polarizing filter. This filter works the same as polarizing sunglasses – it is designed to cut glare and reflections. Removing the glare makes the colors brighter and more saturated. Simply rotate the polarizing filter until the sky or shiny objects are at their darkest.

As always you can email me with any photographic questions or problems at bill@KirmsPhotography.com. Feel free to visit my site www.KirmsPhotography.com if you'd like to see some of my work. Keep shooting and trying to improve your images, but most importantly, have fun with your camera.
